18th July – 1st August 2009 - 2 families from the UK

"We had a fantastic holiday - your home is absolutely stunning and I know I speak for all of our family and friends that we would love to return.

The pool table and the table tennis were a great boon and led to fiercely fought tournaments - the kids quite enjoyed them too!

The swimming pool was great and much needed in the heat - I suspect some of the youngsters would have enjoyed a larger paved area for the benefit of their feet but hardly an issue.

It was a real treat as a keen chef to have so much top notch equipment in your kitchen - especially good knives and pans!! A real change from a lot of the previous holiday homes in which we have stayed.

Needless to say the UK Sky was a winner for the children AND the dads (especially given the Ashes coverage)

Many thanks to Mandy and Gay who were always more than willing and able to offer advice/assistance when needed.

I hope the rest of your summer is as beautiful as the last 2 weeks

Kindest regards"

« Bonjour,

Nous avons bien reçu votre chèque de remboursement de caution et vous en remercions. Nous avons passé un très agréable séjour dans votre "maison familiale". Cette maison, malgré sa taille, est simple et pratique à utiliser. La décoration est parfaite. Soyez certain que nous en parlerons autour de nous.

Je vous souhaite de nombreux visiteurs pour les années à venir.

Bien à vous »

"Hello,

We have received your refund check for the security deposit and thank you. We spent a very pleasant stay in your "family home". This house, despite its size, is simple and convenient to use. The decor is perfect. We will be sure to tell friends about you.

I wish you many visitors for years to come."

“We had a fantastic time, everyone thought the house was amazing, and absolutely perfect for what we wanted. What I would say is that the website doesn't quite do it justice; everyone was even more impressed than they were looking at the site. The facilities and the finish are all top notch, which make a real difference when staying away from home.

The area is beautiful, we walked up to Callian for Bastille Day evening which was a great atmosphere, and also visited Montaroux which we loved, and Gorge du Verdon which is amazing. Then ended up in Nice and then Monaco the Saturday and Sunday which is a great way to end the week.

I'll let you know if we want that adapter sending over - I did say to Gay that we're now thinking about doing the same next year so might be in the market for another booking. I'd definitely recommend Maison de Famille to anyone I know - in fact I already have suggested it to a couple of people.”

“Restful, beds incredibly comfortable and nice linen, bathrooms wonderful, kitchen well equipped, cleaner and gardener are lovely friendly people. Would like to come again.”

28th May – 27th June 2011 - 2 families from Russia

“It was a pleasure to stay in a typically Provençal house (kept and restored). We found the house very convenient to live in, with almost all necessary equipment provided. In case of problems, for questions, they were dealt with rather efficiently. In addition we have benefited from the pool table and table tennis.

We are especially grateful for co-operation when booking and before coming. It was quick and efficient since we required a visa to come.”

30th July – 13th August 2011 2 French families

“We enjoyed our stay at your beautiful house in Callian very much. I have enclosed a scanned copy of the questionnaire. There is nothing negative we can say!
Bathrooms and bedrooms were spacious and very clean, kitchen well equipped. Great swimming pool with beautiful view. Explicit and fully detailed website.”

27th August – 10th September 2011 – families from London, UK

“We are all envious of your utterly beautiful home! It's been an amazing holiday for us, all down to the comfort provided by the large house; the rooms were of a fantastic standard with spacious and well maintained gardens and refreshing pool set in beautiful surroundings. Good welcome and information pack and David was lovely, Gay also. Many many thanks”

8th – 15th October 2011 – 3 English couples from France

“Good welcome and information pack about the villa, room's good, great location for mountains and coastline. We all thoroughly enjoyed our stay and during the days went our separate ways then met up each evening back at the house to have a meal together and several games of pool! The weather obviously helped as it has everywhere else and meant we could enjoy some time at the beach as well as enjoying the mountain scenery”.
